The Standard Barometer and Thermometer are read at 8 a.m., 10 a.m., 4 p.m., and 8 p.m., and the daily means are obtained by the application of hourly corrections, derived from twenty years' observation. The column of the Barometer is reversed feet above the level of the sea, and the corner of the rain-gauge is two feet from the ground. The wind, rain and general weather registered are for the interval each day—from midnight to midnight.

The total quantity of rain collected since 1st January 1928 is 8.26 inches, the average due for the same period being 4.62 inches.

"44-A. (1) (a) (i) When the remuneration for any service to be performed by a devadasi in a temple consists of lands granted or assigned in respect of, or assigned to, such service by the Government, the Local Government shall enfranchise the said lands from the condition of service, by the imposition of quit-rent;

(3) Where the remuneration for such service consists of an assignment of land revenue as granted or continued, the Local Government shall enfranchise such assignment of revenue from the condition of service :

Provided that where, at the time when proceedings are taken under this sub-section, the *deradasi* is herself the owner of the lands in respect of which the assignment of revenue has been made, enfranchisement shall be effected and quit-rent imposed in the manner laid down in sub-clause (i) :

(ii) Where the remuneration for such service consists in part of lands and in part of an assignment of land revenue, enfranchisement of the lands shall be effected in the manner laid down in sub-clause (i) and of the assignment of land revenue in the manner laid down in sub-clause (ii) :

Explanation.—For the purposes of this clause, a grant shall be deemed to consist of an assignment of land revenue in all cases in which the *deradasi* herself is not, at the time specified in the proviso to sub-clause (i), the owner of the lands in question.

(b) Enfranchisement under clause (a) shall be effected in accordance with such rules as the Local Government may make in this behalf and shall take effect as and from such date as the Local Government may fix.

(2) Where the remuneration for such service consists, in whole or in part, of lands or of produce of lands not falling under sub-section (1), the Local Government shall direct the Collector to determine the amount of rent payable on the lands or the produce in question. The Collector shall thereupon, after giving notice to the parties concerned and holding such inquiry as may be prescribed by the Local Government, by an order determine the amount of rent, and in doing so, he shall have due regard to

(a) the rent payable by the tenant for lands of a similar description and with similar advantages in the same village or neighbouring villages; and

(b) the improvements, if any, effected by the *deradasi*, in respect of the lands :

Such order shall be communicated to the parties concerned and also published in the manner prescribed.

(3) The amount of rent fixed by the Collector under sub-section (2) may be questioned by petition presented to the Board of Revenue within three months of the date

of the publication of the order under the said sub-section but subject to the result of such petition, the order of the Collector fixing the amount of rent under sub-section (2) shall be final and shall not be liable to be contested in any court of law :

Provided, however, that the Board of Revenue shall have power on sufficient grounds to entertain a petition presented after the expiration of the period of three months.

(5) No obligation to render any service relating to any temple to which any devadasi may be subject by reason of any grant of land or assignment of land revenue or produce derived from land, shall be enforceable on such land, assignment or produce being enfranchised or freed, as the case may be, in the manner heretofore provided.

(6) No order passed under sub-sections (1), (2) and (5) shall operate as a bar to the trial of any suit or issue relating to the right to enjoy the land or assignment of land revenue or produce derived from land as the case may be.

(7) (a) The quit-rent imposed under sub-section (1) shall be payable to the temple concerned.

(b) The assignment of land revenue enfranchised under sub-section (1) or the rent fixed under sub-sections (2) and (5) as the case may be shall be payable to the devadasi concerned during her lifetime and after her death to the temple concerned.
